Sleek, Stylish Communication

The Panasonic KX-HDV130 IP phone offers streamlined functions and the high definition voice quality that's essential for effective communication.
KX-HDV130

Key Features

Flat & Slim Design

The KX-HDV130 IP phone features a flat and slim design to harmonise with various office desk types. For easy operation, the 10-key buttons are concave, and the phone can be tilted to 30° or 45°.

45°
30°

HD Voice Quality

The KX-HDV130 incorporates HD SONIC features, such as full duplex, acoustic echo cancellation, and packet loss concealment, in its hardware and software to maximise voice quality and wideband communication performance. HD SONIC contributes to clear voice communication.

- High-definition ˝HD˝ audio
- 132 × 64 pixel graphical LCD with backlight
- 2 lines • 2 LAN ports • Power over Ethernet

Line and Programmable Keys

Two line keys and programmable keys are arranged on the operation panel. Desired functions can be allocated to the programmable keys for added convenience.

2.3-inch Graphical LCD

The large 2.3-inch display with 132 × 64 pixel resolution shows 4 lines of information. The display on the KX-HDV130 is equipped with a backlit LCD to allow easy operation.

Specifications

KX-HDV130

■ Audio Features
- HD voice
