How to Identify if Your Panasonic Camera was Manufactured After October 2014:

1. Find the serial number on your camera and/or carton box.
2. The first letter of the serial number code indicates the year of production, where M = 2013, N = 2014, O = 2015.
3. The second letter indicated the month of production, where A = January, B = February, C = March, etc.

* For example, January 2015 will be OA*****
