

## Kiosk Solutions

**Deliver a better customer experience by decreasing order time and increasing customer throughput with Kiosk Solutions from Panasonic**

### MAXIMIZE YOUR OPERATIONAL EFFICIENCY

**Next-generation of solutions from the leaders in Quick Service Restaurant technologies**

Kiosks increase your QSR efficiency, giving you the ability to shift labor to other essential tasks, better handle peak times, and even increase your revenue an average of 30% per order. Our kiosk solutions allow you to deliver a better, seamless experience from first order to last bite. Panasonic's full array of ClearConnect technologies gives you the ability to be the restaurant of today, while preparing for the restaurant of tomorrow.

### INTEGRATED WITH FREEDOMPAY'S COMMERCE PLATFORM

**Security and customer safety are our priorities**

Panasonic's world class kiosk software is integrated with the FreedomPay's Next Level Commerce™ payment gateway, delivering a combined solution that will maximize revenue potential, and improve the customer experience.

### YOUR INNOVATIVE PARTNER

**With over 40 years in restaurant technology innovation**

Panasonic is your turnkey innovative kiosk partner, offering you comprehensive options from software, hardware, design, consulting, installation, as well as ongoing maintenance and support. We've got you covered.

## KEY FEATURES & BENEFITS

#### CAPTURE UPSSELLS

Kiosk solutions can increase your revenue an average of 30% per check

#### DECREASE ORDER TIMES

Allow your customers to speed through the ordering process

#### CUSTOMER SAFETY

Touchless commerce capabilities at checkout such as ApplePay and Google Pay

#### REDUCE LABOR

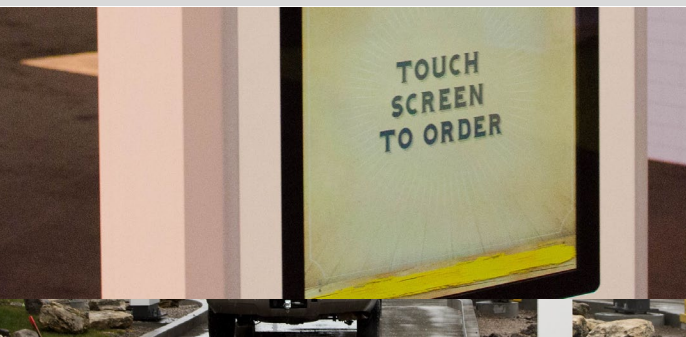

Kiosks allow staff to be elevated to higher-value functions

#### SERVICE & SUPPORT

## CUTTING EDGE SOFTWARE INTEGRATES SEAMLESSLY WITH YOUR OPERATION

Empower your customers to place their order through familiar touchscreen gestures in a conversational-based user interface. Kiosks give your customers better safety and security, while resulting in repeat orders and upsells.

## FREEDOM.PAY COMMERCE PLATFORM MARKET-LEADING PAYMENT TECHNOLOGY

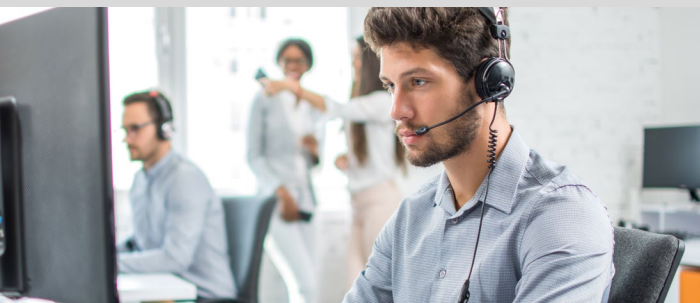

FreedomPay's Next Level Commerce™ platform transforms existing payment systems and processes from legacy to leading edge with fully integrated solutions across in-store, online and on-mobile. FreedomPay offers market-leading technology that supports merchants of all sizes worldwide merging security, identity, payments, loyalty and advertising.

## KIOSK AS A SERVICE TURNKEY SUBSCRIPTION MODEL

From menu configuration to POS integration, we'll have your restaurant up and running faster and more efficiently than ever before. ClearConnect offers a turnkey "Kiosk as a Service" solution including hardware, software, service and support - all for one monthly fee.

## TRUSTED SERVICE AND SUPPORT AVAILABLE 24 HOURS, 7 DAYS A WEEK

Managing technologies from different vendors is stressful and complicated. Panasonic's scalable service and support plans cover your complete suite of technology, keeping you up and running and orders coming in.
